NOTE: Make local inquiry of road conditions in remote areas. Some roads are impassable following severe weather conditions.

Roads shown, determined by BLM and U.S. Forest Service requirements, may not show all existing roads. Always seek private landowners' permission before using or crossing their lands.

For current land status, consult official records at Bureau of Land Management, U.S. Forest Service Offices, and Oregon State Forestry Department.

Contact the administering agency office for detailed and updated information for persons with disabilities regarding access to Bureau of Land Management and Forest Service recreational opportunities.

This map was constructed in 2006 from Cartographic Feature File data collected by the Geospatial Service & Technology Center in Salt Lake City, UT and from GIS data submitted by the Fremont-Winema National Forests, and Oregon State Office, Bureau of Land Management.
